

Join us for positive behaviour management training

Dubai Trainer Course: 19th – 23rd June 2023

Team Teach are a leading provider of Positive Behaviour Management Training.

We support over 9000 settings globally, to positively transform behaviour management and provide strategies which equip staff with the tools they need to understand behaviour, foster consistent staff behaviour & responses, and help reduce crisis incidents.

Our training provides you with a toolkit of strategies you can rely on, and promotes respect, teamwork, personal safety, preventative skills and de-escalation.

Our courses will help you to:

- ✓ understand behaviour as a form of communication
- ✓ ensure teachers and staff are confident in the latest approaches to behaviour management
- ✓ create a positive behaviour culture in your school or setting
- ✓ reduce classroom or workplace disruptions

19th – 23rd June 2023
Jumeira Bacculaureate School
Dubai, UAE

Course details:

Intermediate Train the Trainer

With this course attendees will be trained to become Team Teach trainers themselves. Having your own in-house Team Teach trainer is a cost-effective way to upskill all your staff and level up your training and CPD while creating a consistent organisational approach to behaviour.

● Who is the course for?

This course is for individuals who want to lead on, and support the delivery of training in positive behaviour management strategies throughout their own organisation.

● Your certification:

Once you've successfully completed the 5-day course, you'll be equipped and certified to deliver both our Level One – 6 Hour and Level Two – 12 Hour Positive Behaviour Management courses. Your Intermediate Certification in Positive Behaviour Management gives you a training license valid for 12 months.

● What's included?

This 5-day intensive course provides participants with a wide range of de-escalation, positive handling and intervention strategies, along with the legal knowledge required to confidently deliver training themselves.

The course includes a minimum of two team presentations to the whole group, plus an individual theory test.

5-day course – £1950/person

“

What I really love is the fact that the course is about a school-wide ethos of student concern and how our actions can lead to a better environment for our students and in turn ourselves. It is a course about creating a cultural shift in our community rather than just classroom strategies.
